APPLIED TO EDUCATION AND TRAINING

Design Thinking

Applied to Education and Training

Flash News - Issue 1

The Project

D-Think: Design Thinking Applied to Education and Training is an initiative of 7 partners from 6 different European countries that has the support of the Erasmus+ Programme of the European Commission.

The project aims to promote a wider use of Design Thinking as a transversal learning tool by developing and making available a toolkit and an innovative digital course supported on mobile learning for education professionals and professional trainers.
