#### Train the Trainers Course in Barcelona

From 24<sup>th</sup> to 28<sup>th</sup> of October, in Barcelona, the partner Venture Hub hosted in partnership with the IED (Istituto Europeo de Design) the Training of Trainers activity of the D-THINK Project, which had 7 participants from 6 European countries.

During this week, trainers could know more about the Design Thinking mindset and tools and to explore and discuss how to apply it in real educational contexts. Also, they had the opportunity to exchange experiences and debate potential strategies to effectively promote the application of Design Thinking to learning experiences.
